We are here to help! Join us at our New Student Preparation Seminars.

Although your next steps can be done online, preparing for your first semester in college can be confusing: creating OCC email, completing the online orientation, completing practice tests, and preparing for placement tests. Your placement tests are extremely important to you.

Good preparation can save you time and money.

ATTEND OUR PREPARATION SEMINAR TO:

Call your campus to register!

Please register at least one day in advance.
